MEMORANDUM

TO:        District Board of Trustees
FROM:      William D. Law, Jr., President
SUBJECT:   Affiliation Agreements – Health Facilities/Dental Offices

TCC has affiliation agreements with over 50 health facilities and dental offices in the service district. These agreements provide clinical experiences in the work environment for students in Health Care Professions programs.

To better monitor and facilitate the process of developing these agreements and assuring consistency in language, all of the agreements will be presented to the Board annually. If new agreements are developed, they will be presented at the time they are negotiated and will then be added to the annual list.

The attached list represents all agreements currently in place.

Staff Resource: Barbara Sloan

RECOMMENDED ACTION: That the Board authorize the President to renew agreements with these facilities for the period of April 1, 2006, through March 31, 2007, as needed.
